RULE 2 TIME

EXTRA TIME

5. Before a match begins the event organiser may advise teams and umpires that, in the event that scores are tied at full-time, extra time will be played to determine a winner. The length of each half will also be specified.
6. The following procedure will apply:
 - (a) There is an interval of 4 minutes at the end of full-time. *(This will vary at the SNA depending on game lengths)*
 - (b) Extra time consists of two halves of equal length, not exceeding 7 minutes each, with a half-time interval of 1 minute. Teams change ends at half-time.
7. The first centre pass in each half is taken by the team entitled to the next centre pass.
8. In the event of a tie remaining at the end of extra time, a visual signal is placed at the official bench to indicate that play will continue until one team leads by two goals.
(At the SNA umpires decide on a visual sign with the current scorers in the event of an ongoing tie)
