### **Compulsory Parent Information Session**

All parents are required to attend a brief information session that will be held in the clubrooms on the first training night, Tuesday 24th February. The session will take place at the beginning of each age group's training time. Attendance is mandatory to ensure everyone is informed and prepared for the upcoming season.

### **Volunteer Roles Needed for Squad Operations**

The successful running of the squad depends on the support of volunteers. We are seeking parents to assist with a range of small but important roles, such as team managers, equipment supervisors, uniform supervisors, and the scoring roster. Your involvement in these roles will be invaluable in ensuring that all sessions run smoothly and efficiently.

### **Squad Information Sheets and Uniform Orders**

At the information session, 2026 squad information sheets will be distributed to all parents. In addition, orders for squad Hoodies will be taken for those who do not already have one. Please ensure you collect the necessary documents and place your uniform order if required.
